BEACH CHALET ACCOMMODATION

**At Al Dar Islands Resort we take pride in our long sandy beaches and are now happy to offer to you a small selection of Chalets set at the peaceful far end of the Islands.**

- > The accommodation consists of a small cluster of one bed room chalets that can comfortably sleep up to four people.
- > Unlike many resorts in the region you are not near the beach, you are on the beach and the sea is stones throw from your large patio.
- > Each chalet has a beamed timber roof and is light and airy.
- > The patio area is perfect for watching the sunset on the Arabian Sea.
- > The bedroom has a double bed and the living/dining area has two double sofa beds.
- > Each room also benefits from a modern walk in shower bathroom.
- > We have styled our chalets in a rustic but modern way and each room has its own unique touches.
- > Air conditioning is of course standard as is tea and coffee facilities along with a small fridge and hot & cold drinking water.
- > A flat screen TV with speaker system with a connection for you i Pod are also installed into each chalet.
- > We have also installed a security safe in each room for your peace of mind while you relax on the beach.
